FIG. 9D is an exploded perspective view of a fan assembly. It shows a fan 14, a mounting bracket 56, a fan frame 70, a filter 68, and a cover 70. The fan 14 is shown at the bottom right, with its blades and motor housing. The mounting bracket 56 is shown in the middle, with dashed lines indicating its position relative to the fan 14. The fan frame 70 is shown above the mounting bracket 56, with dashed lines indicating its position relative to the fan 14. The filter 68 is shown above the fan frame 70, with dashed lines indicating its position relative to the fan frame 70. The cover 70 is shown at the top left, with dashed lines indicating its position relative to the filter 68. Arrows point from the cover 70 to the filter 68, and from the filter 68 to the fan frame 70, indicating the assembly sequence.
